Revue de presse

In *Ballpoint Art* . . . the ballpoint pen is elevated from clumsy everyday object to a tool that ranks alongside the paintbrush. --The Guardian

The power of simple pen and ink has never been more undeniable. --The Independent

Fantastic --Juxtapoz Magazine Présentation de l'éditeur

This stunning book is the first compendium of art made with ballpoint pens. Ballpoint drawing has evolved into a thriving art form since the pen emerged as a writing tool in the 1940s. Throughout the 1950s and 60s, as the ballpoint became cheaper and more accessible, Alberto Giacometti, Jean Dubuffet, Andy Warhol, Francis Bacon, Nam June Paik, Louise Bourgeois, and many others, sketched with the pens. Today, those who make art with ballpoint pen are no longer confined by size or style. This book features 30 artists from around the world who are currently creating masterpieces with ballpoint, and discusses their methods, the messages in their work, and their personal connections to the pen. Biographie de l'auteur

Trent Morse lives in Brooklyn, New York. He has written features, profiles, news, and reviews for ARTnews, Art+Auction, and Saatchi Art. He is the managing editor of Introspective.
