Format: Ebook Kindle

Présentation de l'éditeur

This volume contains everything Wilde wrote in dramatic form

Wilde's masterpiece *The Importance of Being Earnest* is printed here in its usual three-act form, but with an appendix containing the best material from the original four-act version. Also included are his three 'problem plays', *Lady Windermere's Fan*, *A Woman of No Importance* and *An Ideal Husband*, as well as his once-banned *Salome* and several other little-known but fascinating dramas. H. Montgomery Hyde, an acknowledged expert on Wilde and author of several books on him, provides an introduction to Wilde's life and work with special attention to the composition and performance of the plays. "Wilde is to me our only thorough playwright. He plays with everything: with wit, with philosophy, with drama, with actors and audiences, with the whole theatre" (George Bernard Shaw)

Biographie de l'auteur

Oscar Fingal O'Flahertie Wills Wilde (b. Dublin, 1854) was an Irish playwright, who wrote one of the best loved comedies in the English language - *The Importance of Being Earnest* (1895). A leading wit and conversationalist in London society, his career was destroyed at its height when he was imprisoned for homosexual offences. Wilde was born in Dublin and educated at Trinity College, Dublin, and Magdalen College, Oxford. Settling in London, he became famous for his extravagant dress, long hair, and paradoxical views on art, literature, and morality. His first play, *Vera* (1880), a tragedy about Russian nihilists, was produced in New York to poor reviews. Success in the theatre came with the elegant drawing-room comedy *Lady Windermere's Fan*. *A Woman of No Importance* (1893) was another success. Other works for the theatre were *An Ideal Husband* (1895) and the biblical *Salomé* (1896), written in French for Sarah Bernhardt. Wilde flaunted his homosexual affairs, including his ill-fated liaison with Lord Alfred Douglas. Following a celebrated trial in 1895 he was sentenced to two years' imprisonment with hard labour. The sentence led to public humiliation, poor health, and bankruptcy. On his release in 1897 he left for France and remained in exile there until his death in 1900.
